SYNCRON
Textured with maximum realism

SINGULARLY *the* BEST

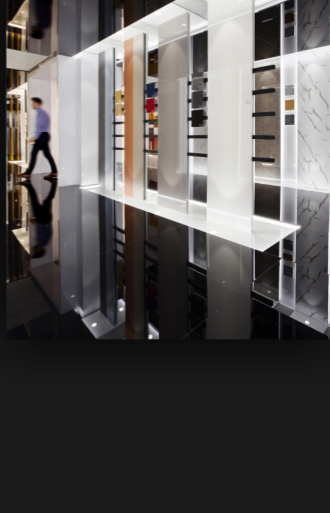

LUXE & LUXE PLUS

An attractive high gloss finish decorative panel that offers excellent physical and mechanical performance.

Impeccably high scratch resistant and spotless mirror effect with high gloss design.

The surface quality, brightness and stability against UV light makes it well suited for the manufacturing of all types of furniture.

ZENIT & ZENIT PLUS

A deep, super matte finished panel with a silky soft feel and excellent resistance to abrasion.

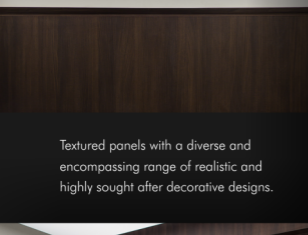

It comes in a wide range of solid colors, with or without metallic particles (Supermatt or MetalDeco), and elegant designs such as marbles.

Zenit provides a more subtle, yet sleek look for modern kitchen, both and home furniture applications as well as interior and commercial projects.

SYNCRON

Textured panels with a diverse and encompassing range of realistic and highly sought after decorative designs.

From wood grain, concrete and leather, to marble, oxidized steel, textiles and more, these finishes effortlessly complement interior spaces to provide their own standout design.

Syncron provides a natural and organic feel to cabinet panels, surface components, furniture elements and beyond.
