BARRISOL LAMPS

FORMS INSPIRED BY MYSTERIOUS SILHOUTTES

Carving sculptures out of light calls for artistry that is one of a kind.

Barrisol explores organic aesthetic territory that mediates between the untapped ocean depths and intelligent deep space whimsy.

Artfully diffused, the soothing light helps you relax and unwind while imparting a sense of intimacy to indoor designs.

Warm and welcoming, seemingly shape-shifting, each *lightwork* is far too beyond to be called an objet d'art; they represent a promise of desires—unencumbered—strung by the human spark.
