BARRISOL
DESIGNER CEILINGS FROM FRANCE

An unprecedented balance of imagination and lifestyle.

Celebrated as a world leader of stretch ceilings, Barrisol offers infinite design possibilities for architects, designers and artists seeking to transmute their reverie into reality!

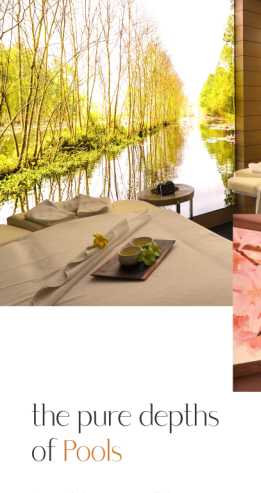

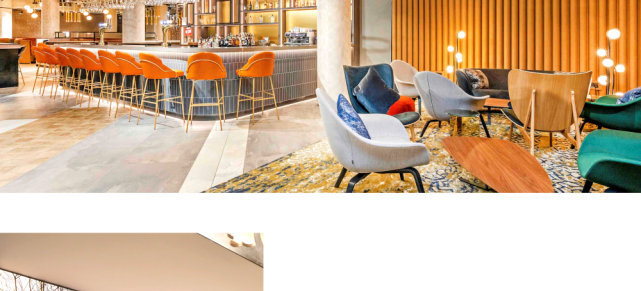

Known for its durability, environment friendliness, design freedom, easy installation and reputation, Barrisol is preferred by top design moguls globally!

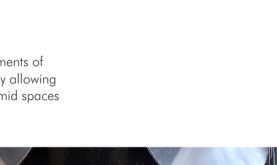

Designer sheets by Barrisol are used to enhance the ambience of interior spaces. These sheets are available in plain Backlit, Matte, Lacquer, Suede, Mirror (gold, rose gold, silver, grey, black, copper) and prints (bespoke and art collection from top Museums like Musée du Louvre).

At 200 g/m², turn marble, concrete, rock, wood and such into flexible and lightweight sheets. Given its acoustics and luminous properties, the exotic range of designs can be adapted to all shapes.

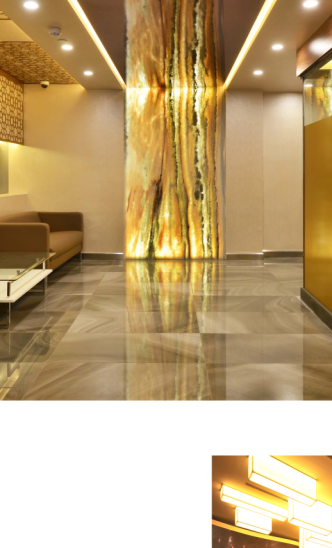

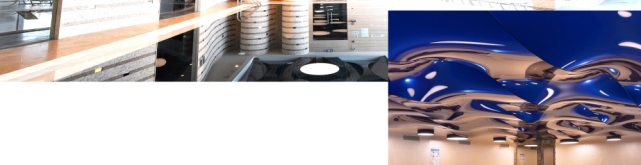

the unwinding Spas

Let this be a haven retreat to the guests with outdoors fusing with indoors. The calming Barrisol sheets are a tranquil answer to rejuvenate in.

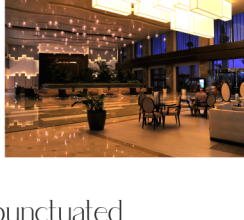

the pure depths of Pools

Barrisol sheets meet all the requirements of permeability and steam tests thereby allowing itself to be installed in variety of humid spaces to realize splendid compositions.

the serene portrayal of Lobbies

Enviably decor optimised with desired Acoustics providing unparalleled solutions to efficiently resolve unwanted reverberations in large spaces.

the timelessly punctuated Restrooms

Carefully curated spaces with Barrisol Backlits, Mirrors and prints, an eclectic blend of light, colours and bliss, replenishing every cell, a sweet escape.
