Printed Backlit

DELIVERING
fantasies

Barrisol interior spaces for a clean, minimalist aesthetic. Designing appealing Barrisol ceilings for upscale car categories is the key to increase footfall.

Known for its durability, environment friendliness, design freedom, easy installation and reputation, Barrisol is preferred by top design moguls globally!

Barrisol sheets are quick to install in an ambient temperature with no dust. Technical elements such as switches or electric outlets are perfectly integrated within the system.

Classic Backlits, Amorous Mirrors (gold, rose gold, silver, grey, black, copper) and exotic prints (bespoke and art collection from top Museums like Musée du Louvre) are quick to install lightweight sheets which can adapt to all shapes!
